Our Services

Corporate Travel

Mavi Travel makes corporate travel easier by allowing clients the ability to book routine travel through a dedicated call centre agent. Our function enables clients to make reservations anytime of the day. This allows ease and stress free travel planning.

Accommodation & Car Rental

Through our years of trade we have developed and maintained strong relationships with hotels and car rental companies. Our booking infrastructure ensures 24 hour access to the MAVI team to secure accommodation and car rental. We have payment processes in place which make securing bookings quick and easy.

Event Planning & Conferencing

Mavi Travel handles all conferencing and event management requirements. We offer an integrated service that incorporates planning, bookings, equipment sourcing and programme. Our team is proficient in organising conferences, exhibitions, year end functions, promotions and product launches.
